Santa Ornament with Ronnie Boston

This Saturday Ronnie Boston will teach us to carve a happy Santa Christmas ornament. See the photos.

President's Message

HAWC is moving into the last two months of 2022. Overall, it's been a good year, considering we had one hiccup. Our attendance for the year has been good. The objective now is to get the monthly attendance closer to the pre-covid numbers.

Like always, our emphasis for the November meeting is carving.

Ronnie Boston will lead the way at the class table starting at 9 am. The project will be a Christmas ornament. Feel free to join Ronnie's class or

one of your member friends to carve with. Don't forget to bring a carving or two for Show and Tell.

Looking ahead, the December meeting will feature the traditional Christmas Lunch. I say traditional because that's the way it was prior to covid. The last time we had a Christmas Lunch was December 2019.

For our new members and those of us who can remember, the lunch will include a meat supplied by HAWC, as well as a salad, possible soup,

vegetables and desert all supplied by the members. The lunch will be discussed in more detail at the November meeting. December also will feature the annual carving gift exchange. It's important to remember, in order to receive a gift you have to bring a gift. There is a possibility; Santa might make an appearance to help hand out the gifts.

See you November 19,
Buddy
