Snowman with Ronnie Boston

This Saturday

Ronnie Boston will teach us to carve a snowman Christmas ornament. See the photos.

President's Message

For the October HAWC meeting we moved to the month's fourth Saturday. The County has an event taking place on our normal third Saturday. So, we look forward to seeing you October 22.

October will be a normal meeting except "carving" will be the primary interest. Ronnie Boston will teach a class starting at 9 am. Feel free to join Ronnie's class or join your friends

to carve on your special project.

For the September class, our thanks are extended to Preston Smith for teaching the stylized hummingbird.

As for other classes, the carving classes that were connected to the cancelled Show were held Thursday and Friday (October 13 & 14) at Bayland. There was a good turnout for both classes. Dallas Deege taught faces and Butch

Wilken taught a detailed Santa.

As mentioned previously, the October meeting will emphasize carving. Bring your carving project to work on. If you are having an issue with your carving, a member will be on hand to help you solve the issue.

Don't forget to bring a carving or carvings for "Show and Tell".

See you on October 22,

Buddy
