### President's Message

Happy October y'all!  
It's hard to believe that the annual Carving Show is upon us! This our first show since the lockdown and I am really excited for us to get an opportunity to show others our craft and hopefully get others interested in the club! We've got a great lineup of carving classes as well as our great instructors to teach the classes. I hope y'all have signed up for your

class, but if not, it's not too late! Please remember to bring your favorite carvings to put in competition as well as bringing carvings in for display!

I want to thank everyone who has put their time in helping out bringing in show to fruition! I also want let all of you know how much I appreciate your participation and involvement in the show! I am looking forward to see-

ing each and every one of you at the show. Try to get there early to get your carvings set out for display. The doors open at 10:00-3:00 Oct. 21st; we will be in our normal room at the Bayland Community Center at 6400 Bissonnet St. Houston Tx. Hope to see you there!

Kenan
