Chip Carving with JoAn

Our class this Saturday will be chip carving with JoAn Brueggeman. The project will be free-form bird patterns. See photos.

President's Message

Hello Everyone! Well the earth is finally back in alignment so we can now go back to our regular meeting time of third Saturdays of the month, which happens to be this Saturday 19th.

Thanks to Ronnie for the Easter bunny project last month, and you might also wish to thank him for donating the money he collected into the club funds.

Dave reports we had a number of people take out new memberships last meeting. A belated Welcome and hope to see you back!

JoAn Brueggeman will have a neat free-form chip carving project this month. If you have not tried this style, be sure to get there early for a seat.

Looking forward to seeing everyone, Joe
