### President's Message

HAWC has come to the end of 2022. It's been a good year. Although attendance remains down from pre-covid numbers, attendance was steady at a good level throughout the year. The monthly carving classes were good with excellent participation. We even picked up some new members. Again, it's been a good year.

Now we come to the December meeting. There will be time for carving so bring your project and tools. Then, after a two year absence due to covid, we return to our annual year end lunch.

At the November meeting members signed up to bring an excellent selection of goodies for the lunch. Lunch will start around 10:30 am.

Following lunch, we will have the traditional carving gift exchange. It's important to remember, in order to receive a carving gift you have to bring a carving gift for the exchange. There is the possibility Santa will make an appearance to help hand out gifts.

Also as we come to year end, it's time to start paying the HAWC dues. There will be packets at the

December meeting that includes information on dues.

Additionally, HAWC has received information on two carving events in Austin early next year. We can discuss these events at the December meeting.

With the lunch and gift exchange don't be confused about the start time for the meeting. Start time will be the normal 9 am.

See you Saturday,  
December 17,

Buddy
