President's Message

HAWC finished 2022 in excellent form with the December Christmas lunch and the carving gift exchange.

Our thanks are extended to the members who provided the food for the lunch. All had fun and enjoyed the lunch, and thanks are extended to Ronnie Boston who participated as the Santa for the gift exchange.

Now we move to 2023 with the first meeting set for January 21 at Bayland Park.

As we start the year, there are several items to consider. First on the agenda is paying the 2023 dues. Nothing has

changed with the dues. It remains \$20 for the year.

Another item on the list is attendance. As mentioned many times in the past, 2022 attendance was good overall. A little nudge to push the attendance back to the pre-covid numbers is needed. We picked up a number of new members in 2022 and will probably experience more of the same this year. Still we need to nudge those members who have not returned to our monthly meetings.

Carving classes pop up on the agenda list. There were excellent classes in 2022 and it should not be hard to match those classes. For those inter-

ested in teaching a class, put your name on the list along with the month you want to teach and carving project.

It's also time for elections. Members are scheduled to elect officers, including president, vice president, treasurer and secretary to serve a two-year term.

This along with regular project carving and Show-and-Tell should keep us busy.

See you January 21,
Buddy
