## President's Message

As I was thinking about the president's message, I found myself being irritated by the annual time change and what it means. I realized that as we move the clock forward, we unintentionally begin to think about the newness of life that comes about with the beginning of spring! Let's take a lesson from this and make new habits and commit to the Houston Area

Woodcarvers Club! It's high time that we come together not only as carvers but as friends!

To kick things off, Ronnie Boston is starting a series of monthly carving classes one per month. Seating is limited to 8 students per class so come early to get your place in this class. There is a recommended donation of \$2.00 to cover expenditures. This month

Ronnie will teach on how to carve a penguin.

I hope to see you there, and don't forget to bring a show and tell! We will be meeting at the Bayland Community Center @ 6500 Bissonnet St. Houston Tx. 77074 from 9:00 - 2:00.

Kenan Schulz,  
President
