THE MEETING IS THE 4TH SATURDAY, SEPTEMBER 28, 2024

President's Message

Dear fellow wood enthusiasts,

I'm writing this while vacationing in Kansas. I'm always envious of the hardwoods so readily available here. On my family's property there is cottonwood, black walnut, red oak, sweetgum, white oak, and other varieties that I couldn't identify! How I long to cut some of these down and start carving on them. I will be returning in time for me to make the meeting, but I don't have any pictures of the raffle items. Watch for them on our Facebook page and our Instagram page. If you don't have it, it's Houstonareawoodcarvers@Instagram.

I have sent out requests to all of our active members trying to get everyone to join our chat room on the "Group Me" app. Many of you have not responded to the request to join. I set this up so that we can have faster real time requests. I do hope that you reconsider and join.

I look forward to seeing y'all at the club, we have some things to discuss about the upcoming carving show. We have not seen much enthusiasm in regards to the show.

Keep carving and I will see you at the meeting Saturday September 28th from 9:00-2:00 @ The Bayland Community Center on 6400 Bissonnet St.
